## NOT ONE VOTER LEFT IN AN OHIO TOWNSHIP

(Herald Special.)

West Union, Ohio, Dec. 30.—For the  
next five years Jefferson township, a  
center of Adams county, will be with-  
out a voter unless a new population  
moves in. It is stated that absolute-  
ly every voter in the town has been  
indicted on a charge of selling his  
vote and has been disfranchised as a  
punishment. The residents with at-  
torneys today took up the question of  
providing for their township govern-  
ment until such time as the ballot is  
restored. It is believed that many  
other townships will be in the same  
predicament.

So far one thousand and one hun-  
dred and fifty-five indictments have  
been returned. Another minister was  
indicted today for selling his vote.  
One resident, eighty-five years old,  
the oldest voter in Adams county, was  
indicted and disfranchised. With  
tears in his eyes he told the court  
that he could not hope to ever vote  
again.

## PORTUGAL TO SPAIN

**LONDON HEARS THAT SPAIN  
WILL ANNEX NEW REPUBLIC  
OF PORTUGAL—SPAIN IS NOW  
MARCHING TROOPS.**

(Herald Special.)

London, Dec. 30.—The annexation  
by Spain of the new-born republic of  
Portugal is believed today by English  
officialdom to be imminent in the  
event that the reported monarchial  
movement in Portugal reaches an  
acute stage. Unofficial advices today  
say Spain is marching troops on the  
Portuguese frontier intending to inter-  
fere if the republic is thrown into war.  
It is believed by Premier Canalejas  
that the seizure of Portugal will  
check the present wave of republican-  
ism.

### WOMAN SUFFRAGE IS SAFE

**In Colorado For the Present, Declares  
Governor Shafroth.**

(Herald Special.)

Denver, Colo., Dec. 30.—Governor  
Shafroth today made the statement  
that no bill to abolish woman suffrage  
in Colorado would be introduced in  
the next session of the state legisla-  
ture. The governor bitterly attacked  
the enemies of woman suffrage.

### CHARGE WHITECAPING.

**Eighty-Four White Men Are Indicted  
In Navarro County.**

Corsicana, Texas, Dec. 29.—The  
grand jury which adjourned here last  
week found eighty-four indictments  
for whitecapping. The indicted par-  
ties are all white men and they are  
accused of running or trying to run  
negro farm tenants out of the coun-  
try. The offenses are nearly all al-  
leged to have been committed in the  
northeastern part of the county. A  
number of the indicted men have  
been arrested. Some have given  
bond and others are in jail.

### Cleburne Has 10,364 Souls.

Cleburne, Texas, Dec. 29.—The pop-  
ulation of Cleburne, as obtained by  
the United States census, is 10,364.  
This is an increase of 2871 since 1900,  
or a gain of 38.3 per cent. This in-  
formation was received here by the  
county authorities from Senator Cul-  
bertson and was desired in order to  
determine whether Cleburne is en-  
titled to two justices of the peace.

### For Winter Practice.

(Herald Special.)

Washington, D. C., Dec. 30.—The U.  
S. Atlantic fleet, composed of sixteen  
battleships, today started westward  
through the English Channel for  
Guantanamo, for the winter's practice.

## New World Long Distance Record

Buc, France, Dec. 30.—Maurice  
Tabateu today covered a distance of  
three hundred and seventy-five miles  
in seven hours and forty minutes in  
the race for the Michelin prize of  
\$30,000, thus establishing a new re-  
cord for long distance flying.

### Hogue's Demurrer Sustained.

New Orleans, La., Dec. 29.—A deci-  
sion was rendered today in one of the  
most unusual cases on record before  
the United States circuit court of ap-  
peals. It was that of the United  
States against W. J. Hogue, from the  
northern district of Texas. A re-  
hearing was refused and Hogue's de-  
murrer to the charges of perjury  
against him sustained.

When the case was first brought be-  
fore the appellate court the judges or-  
dered the matter stricken from the  
record on the ground that it was im-  
pertinent and disrespectful. A new  
bill of appeal was filed and the con-  
tentions advanced therein were sus-  
tained. Hogue was tried for perjury  
in connection with an alleged effort  
to defraud by use of the mails.

### STATE BOARD OF HEALTH QUILTS.

**Send in Their Resignation to Gover-  
nor-Elect Colquitt.**

The Austin Statesman of Thursday,  
December 29, says:

The members of the state board of  
health have tendered their resigna-  
tions to Governor-elect Colquitt, ef-  
fective upon the qualification of their  
successors in office. This course was  
determined upon at the board's meet-  
ing held here December 14, but the  
original resolution had to be forward-  
ed to certain members not present at  
the time. Upon the receipt of the  
paper fully signed, Clyde D. Smith,  
secretary of the board, made public  
the fact that the action had been  
taken. The resolution of resignation  
is addressed to Mr. Colquitt, because  
these resignations do not become ef-  
fective until the senate has confirmed  
the nominations submitted by the new  
governor.

The following expression of appre-  
ciation was today presented to Gov-  
ernor Campbell:

"Austin, Texas, Dec. 14, 1910.—To  
His Excellency, Hon. T. M. Campbell,  
Governor of Texas, Austin, Texas:  
Dear Sir—The undersigned, members  
of the Texas state board of health, in  
anticipation of our retirement from  
office with the close of your admin-  
istration, beg herewith to express to  
you our appreciation of the manifold  
courtesies, both official and personal,  
which we have enjoyed at your hands  
as chief executive of the state, and to  
express to you our hearty good wishes  
for your future welfare and happi-  
ness. Very respectfully, W. M. Brum-  
by, J. E. Gilcreest, J. Mark O'Farrell,  
H. W. Cummings, Boyd McCormick,  
Jno. W. Burns, T. F. Burnett."

### Will Speak to Men.

Rev. J. C. Oehler will deliver the  
New Year message to men at the Y.  
M. C. A. Sunday afternoon at 4  
o'clock. Miss Mattie Gooch will sing  
a solo. The building will be comfort-  
ably heated, and it is hoped a large  
number of men will be present at the  
service.

## PREDICTED MRS. EDDY WILL RISE FROM DEAD

(Herald Special.)

New York, Dec. 30.—The positive  
declaration of Mrs. Augusta E. Stet-  
son, ex-communicated leader of Chris-  
tian Science, that Mrs. Mary Baker  
Eddy will "rise from the dead to  
prove that there is life after death,"  
is expected to seriously effect the cult  
throughout the world. Both sides of  
the controversy here declined to make  
public their plans today, but each is  
watching the other closely. The real  
battle is expected to take place in  
Boston and in the immediate future.  
The statement of Mrs. Stetson is the  
sole topic of conversation among the  
Scientists here today, and has  
amazed some, disillusionized others,  
and has precipitated a bitter dispute.

Eugene B. Cox, head of the pub-  
licity commission of the church here,  
issued a statement today in which he  
says there was nothing in the teach-  
ing of Christian Science or in the  
writings of Mrs. Eddy to justify the  
statement looking for physical resur-  
rection. When asked if she were the  
Christ, Mrs. Eddy replied: "Even the  
question shocks me; what I am for  
God to declare in His infinite mercy.  
There was and is and ever can be  
but one God, one Jesus of Nazareth."  
Such an authoritative statement by  
Mrs. Eddy, declares Mr. Cox, should  
forever put at rest any wild and vi-  
sionary ideas regarding resurrection.
